Philips
Dry iron

1000 W

GC150/41

Designed for easy use

Long lasting, quality iron

Affinia is the new Philips dry iron with the slim tip soleplate, which reaches easily in the trickiest places. Comfortable handle with texturing and elevated temperature control make the iron easy to use.

Comfortable ironing

- Button groove speeds up ironing along buttons and seams
- Comfortable handle with texturing for easy grip
- Cord winder for easy cord storage
- Slim tip soleplate reaches easily in tricky areas

Full control

- Easy temperature control
- Temperature light indicates when the iron is hot enough

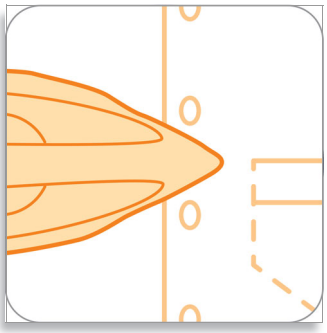
PHILIPS
sense and simplicity

Dry iron
1000 W

GC150/41

Highlights

Button groove



Button groove speeds up ironing along buttons and seams.

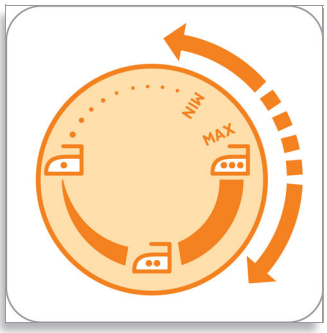
Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

Easy storage

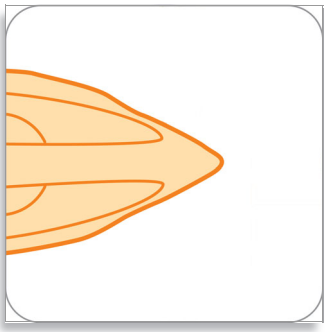
The cord can be wrapped around the heel rest, so that the appliance is easy to store.

Easy temperature control



An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

Slim tip soleplate



The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the solepalte temperature has reached the set level.
